

## FEDERAL UNIVERSITY OF PARÁ

Research And Graduate Courses Office (PROPESP) & International Relations Office (PROINTER)

# PRIORITY RESEARCH AREAS

# PRIORITY RESEARCH AREAS

FEDERAL UNIVERSITY OF PARÁ (UFPA) - STATE OF PARÁ - BRAZIL

<u>Master/doctorate Programs</u> (Initials – CAPES score [1 to 7])

Priority research areas Cooperation agreements

\*CAPES: Brazilian National Council for Scientific and Technological Development

# BRAZIL - PARÁ - (UFPA)

Postgraduate Program in Sustainable Development of the Humid Tropics - PPGDSTU - 7

· Social and Environmental Development

### **Geology and Geochemistry Postgraduate Program - PPGG - 7**

- · Geology
- · Geochemistry and Petrology

### Postgraduate Program in Letters - PPGL - 6

- · Literary Studies
- · Linguistic Studies

Cooperation agreements: USA

### Postgraduate Program in Biology of Infectious and Parasitic Agents - PPGAIB - 6

- · Biology
- · Epidemiology of Infectious and Parasitic Agents

### Postgraduate Program in Physics - PPGF - 6

- · Materials Physics
- · Field and Particle Physics

### Postgraduate Program in Molecular Biology and Genetics - PPGBM - 6

- Bioinformatics
- · Animal Genetics
- · Human and Medical Genetics
- · Micro-organisms and Molecular Genetics
- Vegetal Genetics

### Postgraduate Program in Psychology (Behavioral Theory and Research) - PPGTPC - 6

- Experimental Psychology
- Ecoethology

### Postgraduate Program in Biotechnology - PPGBIOTEC - 5

- · Molecular Biotechnology and Bioinformatics Applied to the Genomics
- · Molecular Biotechnology and Bioinformatics Applied to the Proteomic
- · Natural Resources' Biotechnology Applied to Agriculture and Environment
- · Natural Resources' Biotechnology Applied to Health

### Postgraduate Program in Computer Science - PPGCC - 5

- Computer Systems
- · Information Systems

### Postgraduate Program in Law - PPGD - 5

- · Constitutionalism, Democracy and Human Rights
- · Human Rights and Social Inclusion
- · Human Rights and Environment

Cooperation agreements: France, Portugal, USA

### Postgraduate Program in Sociology and Anthropology - PPGSA - 5

Sociology and Anthropology

Cooperation agreements: Portugal, Germany

### <u>Postgraduate Program in Amazon Agricultures - PPGAA - 5</u>

Family Farming

· Sustainable Development

### Postgraduate Program in Food Science and Technology - PPGCTA - 5

- Foods and Bioactive Compounds' Chemichal, Biochemical and Microbiological Properties.
- · Use of Agro-industrial waste and product development
- Separation and Transformation Processes' Analysis and Development Applied to Foods

### Postgraduate Program in Anthropology - PPGA - 5

- Social Anthropology
- · Archeology
- Bioanthropology

Cooperation agreements: Portugal, Germany

### Postgraduate Program in Teaching in Sciences and Mathematics - PPGDOC - 5

- Teaching and Learning of Sciences and Mathematics for Citizen Education
- · Teachers Training for the Teaching of Sciences and Mathematics

### Postgraduate Program in History - PPHIST - 5

· Social History of the Amazon

Cooperation agreements: Portugal

### Postgraduate Program in Education - PPGED - 5

- · Public Educational Policies
- · Education, Culture and Society
- · Teacher formation, Teaching, Pedagogical Theories and Practices

Cooperation agreements: Portugal

### Postgraduate Program in Social Service - PPGSS - 5

· Social Service, Labor and Public Policy

### Postgraduate Program in Communication, Culture and the Amazon - PPGCOM - 5

· Communication, Culture and Socialities in the Amazon

· Communication Processes and Midiatization in the Amazon

Cooperation agreements: Portugal, Colombia

### Postgraduate Program in Tropical Diseases - PPGDT - 5

- · Tropical Diseases Clinics
- · Tropical Diseases Pathology

### Postgraduate Program in Ecology - PPGECO - 5

- · Ecology of Communities and Ecosystems
- · Ecology of Organisms and Populations
- Landscape Ecology
- Theoretical and Applied Ecology

### Postgraduate Program in Aquatic Ecology and Fishing - PPGEAP - 5

- Aquatic Biodiversity
- · Maintaining and Socioenvironmental Impact in Aquatic Ecosystems
- · Ecology and Management of Fishing Resources

### Postgraduate Program in Zoology - PPGZOOL - 5

- · Evolution
- · Biodiversity and Conservation

### Postgraduate Program in Economics - PPGE - 5

- · Regional Economic Development
- Economics, Society and Environment
- · Macroeconomics and Development
- · Agrarian Dynamics and Sustainable Development

Cooperation agreements: China, England, USA

### Postgraduate Program in Environmental Sciences - PPGCA - 5

· Climate and Socio-environmental Dynamics in the Amazon

Cooperation agreements: Portugal, Spain, France

### Postgraduate Program in Oncology and Medical Sciences - PPGOCM - 5

- · Endocrine and Metabolic Diseases
- · Neurodegenerative Diseases
- · Translational Research in Human Health
- · Genomic, Transcriptomic and Proteomic
- · Biomarker's Identifying and Development
- · Oncologic Pathology, Clinic and Therapy.

### Postgraduate Program in Architecture and Urbanism - PPGAU - 5

· Analysis and Design of the Built Space in the Amazon

Cooperation agreements: Portugal, Germany

### Postgraduate Program in Geography - PPGEO - 5

· Territorial Organization and Management

Cooperation agreements: Portugal, France

### Postgraduate Program in Neuroscience and Cellular Biology - PNBC - 5

- Cellules and Molecules Physiology
- Cellules and Molecules Pathology
- · Pathogenic Microorganisms
- Neurophysiology
- Neuropathology
- Neuropharmacology

# <u>Postgraduate Program in Natural Resources Management and Local Development in the Amazon - PPGEDAM - 5</u>

- · Environment Management
- · Usage of Natural Resources

### <u>Arts Postgraduate Program - PPGARTES - 5</u>

- · Poetics and Processes in Arts
- Theories and Epistemic Interfaces in Arts
- · History, Criticism and Education in Arts

### Postgraduate Program in Sciences and Mathematics Education - PPGECM - 5

- · Sciences Education
- · Mathematics Education

### Electric Engineering Postgraduate Program - PPGEE - 5

- · Applied Computation
- · Systems of Electric Engineering
- · Telecommunications

### <u>Biodiversity and Biotechnology Postgraduate Program - BIONORTE - 5</u>

- · Biodiversity and Conservation
- Biotechnology

### Postgraduate Program in Environmental Biology - PPGBA - 4

- · Ecology and Social-Environmental
- · Oceanography
- Systematics and Evolution

### Postgraduate Program in Animal Science - PPGCAN - 4

- · Aquatic Ecology and Aquiculture
- · Sustainable Development of Animal Production Systems

### Postgraduate Program in Information Sciences - PPGCI - 4

- Information Management
- · Knowledge Organization

### Postgraduate Program in Political Sciences - PPGCP - 4

- · Political Institutions and Public Policies
- Democracy and Society

### Postgraduate Program in Sciences and Environment - PPGCMA - 4

- · Conservation and Social Construction of the Environment
- $\cdot \quad \text{Integration in Sciences and Environment} \\$

### Postgraduate Program in Pharmaceutical Sciences - PPGCF - 4

- · Biological Evaluation of Active, Natural and Synthetic Principles
- · Integration in Sciences and Environment

# <u>Postgraduate Program in Creativity and Innovation in Superior Education Methodologies - PPGCIMES - 4</u>

- Methodological Innovations in Superior Education
- · Creativity and Innovation in Educational Processes and Products

### Postgraduate Program in Syllabus and Basic Education Management - PPEB - 4

- · Basic Education Syllabus
- · Pedagogic Work Management and Organization in Basic Education
- History of Basic Education

### Postgraduate Program in Education in the Amazon - EDUCANORTE - 4

- · Education in the Amazon: Teacher's formation, pedagogic praxis and syllabus
- · The State, Public Policies and Management of Education
- · Knowledges, Languages and Education

### Postgraduate Program in Civil Engineering - PPGEC - 4

- · Civil Construction Engineering
- · Hydric Engineering

### Postgraduate Program in Mechanical Engineering - PPGEM - 4

- · Processing and Characterization of Materials
- Energy Conversion and Environment
- · Vibrations and Acoustics

### Postgraduate Program in Chemical Engineering - PPGEQ - 4

- Inorganic Processes Engineering
- Organic Processes Engineering

- · Ethno-Sociobiodiversity and Environmental Sustainability
- · Ethno-Knowledges and Social Technologies

### Postgraduate Program in Philosophy - PPGFILO - 4

- · Aesthetics, Ethics and Political Philosophy
- · Knowledge Theory, Epistemology and Language Philosophy
- · Literature, Psychoanalysis and Education

### Postgraduate Program in Mathematics and Statistics - PPGME - 4

- · Algebra
- · Partial Differential Equations
- Statistics
- Geometry
- Numerical Methods

### Postgraduate Program in Neurosciences and Behavior - PPGNC - 4

- Basic Behavioral Processes
- · Complex Behavioral Processes

### Postgraduate Program in Psychology - PPGP - 4

- · Phenomenology: Theory and Clinics
- Psychanalysis: Theory and Clinics
- · Psychology, Society and Health

### Postgraduate Program in Odontology - PPGO - 4

- · Development of Materials and Technics in the Odontology Clinic
- · Oral Biology
- Research Group in Systematic Revision and Metanalysis and in Odontology and Physiological Sciences
- · Amazon's Orthodontics

### Postgraduate Program in Public Security - PPGSP - 4

- · Public Security, Justice, Conflicts and Citizenship
- Politics, Management, Human Rights, Criminality and Information Technology

### Postgraduate Program in Animal Health in the Amazon – PPGSAAM - 4

- Health-Disease Process in Animals
- · Public Health and Food Security
